

# VANESSA MESSENGER

AUTHOR

Sit, stay and come along as "Teddy Talks" about the paws-itive daily habits he and his human Emily make to fuel their fun adventures. This fetching tale about two best friends sheds an optimistic light on Type 1 Diabetes while engaging readers through Teddy's playful puppy antics and popping illustrations.

Written by a Type 1 Diabetic mother of two, this book is an educational and inspirational must-have for any child's bookshelf.
